SCUBA VBS was another fun filled year! Over 100 youth in our community learned about and shared God's friendship. The offering totaled just over \$1200 and will go to World Vision to provide clean water for the people of Honduras. These amazing youth will provide 210 people with clean water for over a year!

Thank you to Morning Star for their financial support; and thank you to our church family and staff for all your prayers, time, and support.

A few months ago, Morgan Ferreira set up a book swap as part of his
reading merit badge for scouts. In the fireside room there are 3
different boxes of books, one for children, young adults, and adults.
It's an easy way to find something we to read each week when you
come. You can simply borrow a book to enjoy and return it when
you're done or bring a book to put in the box and swap it for a book
in the box. It can be any kind of book. Enjoy reading something good
during these hot summer months.

- The theme of the 2024 gathering was Following Jesus, Matthew 16:13-17. This theme was taken from the California-Nevada Annual Conference vision statement, “Following Jesus, Thriving in Community, Healing the World,” which was adopted at the 2023 Annual Conference session.
- Bishop Gregory V. Palmer, resident Bishop of the Ohio West Area, served as guest preacher for opening worship. During opening worship, an offering was collected to create a scholarship fund for students from the West Angola Annual Conference to attend Africa University.
- There were over 750 clergy and elected lay delegates gathered at the SAFE Credit Union Convention Center at 1301 L Street, Sacramento on Friday morning, June 7, 2024. The guest preacher was Bishop Gregory Palmer, the longest serving active bishop, who shared about what it means to follow Jesus. He wondered if delegates were prepared to follow Jesus. In conclusion, Bishop Palmer encouraged the members to not *“worry about saving the church - instead focus on saving the world.”* *Let's love one another as Jesus loved us.* At the conclusion of the opening worship, an offering was collected to create a scholarship fund for students from the West Angola Annual Conference to attend Africa University.
- Bishop Minerva Carcaño recognized long serving clergy and laity. Ecumenical leaders in the American Methodist Episcopal church - Rev. Dr. Vernon Burroughs, serving Fairfield Community UMC and Rev. Administrative Council Highlights – June 4, 2024

The Ad Council met by Zoom conference on Tuesday, June 4, 2024 with eight people present. The following items were discussed:

- **Nurture, Outreach and Witness (NOW).** The NOW Committee met on May 20, but will not meet in June or July. The Homeschool Coop will not use our facilities the next school year. Roxanne's final day at Sunday School was May 26, and plans are being made to recognize her for her fine work. Shelves were requested in the youth room closet for the handbells, and the youth want to paint the room. Ivoni has met with the new Visitation Committee, and she has been in touch with the Willis family and June Sloan. A church luau is planned for August 24.
- **Trustees.** The May meeting was cancelled, but the Trustees plan to meet in person on June 11. Russ completed the shelf construction, but his yardwork has not been satisfactory, so we will make a switch by the end of June. It appears that Gideon Moffitt is interested and available.
- **United Women in Faith.** The women will not meet again until they hold a party the second week of August; their next business meeting will be September 12.
- **Staff-Parish Relations Committee.** Susan and Ivoni are to interview an applicant for our Sunday School teacher position after the Annual Conference Session in Sacramento. Ideally, we will have a team of instructors who can rotate and share the duties, and teachers for at least a couple of different grade levels.

The Cardenas family has offered to host an all-church BBQ and swim party on July 27. The church will provide meat and buns for hot dogs and hamburgers.

Christine is in the Philippines for 8 weeks, but she lined up replacement pianists for the whole time, through August 4. Brian, the piano tuner, has received all of the required parts to repair our piano, and he will do the remaining work as soon as it can be scheduled with us.

- **Financial Report.** The General Fund collections for May were just \$10,940.04, while paid expenses were \$14,798.97, a shortfall of almost \$4,000. All current bills were paid in full, and the General Fund checking account balance was down to \$26,756.80. Because of family issues, Carol and Mark Walton can't head up the rummage sale this year. There was some discussion about who might be willing to assume the leadership role, noting that it had been the church's largest fundraiser in 2023, bringing in around \$5,000.
- **Parish Care.** Prayers were requested for Susan Younce, Amanda, Kimery, Guadalupe, Barbara Murphy, June Sloan, Donna Morris, and Donna Murphy. Ivoni commented that the funeral service for Eileen Sorenson at the National Cemetery on May 31 had gone very well.
- **Pastor's Report.** Ivoni has met with the Visitation Committee members (Karen Bonillas, Melissa Jones and Susan Younce) to work on plans for this program. She has begun to form a Homeless / Social Justice Ministry to serve the less fortunate members of our community a couple of Sundays a month. She said that Foa has been a Sunday School superintendent in the past, and can serve on an interim basis if need be. Ivoni has nearly completed a grant application to the Conference for \$10,000 to upgrade our sound system, but needs minutes of a meeting of the Trustees giving her authority to submit the application.
